Brief Introduction

VALOTECH 261 PTY LTD is based in Johannesburg, South Africa, founded in 2012.

Warehousing and logistics has always been the core advantage of the company. At present, the company has three storage bases, which are located in Johannesburg South Africa , Zimbabwe and Ghana respectively. The three storage bases cover a total area of more than 20,000 square meters.

Our products cover home lighting, outdoor lighting, commercial lighting, engineering lighting and enjoy good sales in South Africa Market. We are the leading company specialized in switch socket, lampholder, plug and so on.

The company has mature quality inspection standards and perfect quality inspection projects. Before each product enters the market, the company team has to pass strict control. From product design to order tracking service, we try our best to improve customer satisfaction.

Follow the idea of "Customerid fundament", company is committed to providing consumers with cost-effective products and services, and helping the global promotion of Made in China.

Glory can be pure and simple

Simple yet elegant, perfect, touch with your fingertips,
Elegant life will be written here,
For you to open happiness, pass the truth
In neat and clean space,
For your interpretation of a share of elegant.

Light-ying pure purple, with its elegant light gold,
Fresh and bright, exudes mature and elegant temperament;
Simple and intuitive appearance, simple ridge design,
To calm, the lines of refining for the tone, enjoy a
comfortable touch life.
